

Annual report 2020- 21

With gratitude to God, here we let slip our slides from the history of Sirajul Huda English Medium School, Meppayur a continuous journey of 18 years.

I have great pleasure in presenting to you the annual report of the academic year 2020-2021. This year has been a big challenging one before us due to COVID pandemic we were not able to conduct the classes physically, therefore we have made great effort to switch to online mode. Even though we faced difficulties at the beginning, we executed this in a systematically way. We created WhatsApp group for each classes and had given instructions time to time.

Academic year started with the initiation ceremony conducted as online and General Secretary Janab. Abdul Rahman Musliyar, Perode delivered key note message to students and parents. He stressed on how to overcome the challenges before us and seared the students to be confident.

Regular classes in online continued smoothly via Google meet. Orientation sessions were conducted for students and frequently in order to cope up the online system. All students and parents were supportive and it motivated us to execute the classes in the full-fledged way.

We took special effort to conduct the examination such as unit test, midterm, periodic test, terminal exam etc. Systematically. Report cards and other achievement card maintained properly in this pandemic situation too.

Apart from scholastic, we also given prime importance to co scholastic area. Making our students globally relevant is need of the hour and with the same idea we introduced many clubs in our school. English, Science, Maths, Literary, Social Science, Eco, Health and Wellness, Mazhavil clubs are important among them. Variety of programs strengthening the calibre and creativity of the students. We conducted many webinars and awareness programs for students as well as parents. All the important days such as Environment day, International day of Yoga, Reading day, International against drug abuse illicit trafficking, , Moon day, Independence day, , Teachers day, National sports day, Hindi diwas, Ozone day, Gandhi Jayanthi, National education day, Children's, day, International human rights day, National energy conservation day, National Maths day, Republic day, National science day, National safety day, World water day, World health day, National technology day, etc were observed in a grand manner.

With the sole purpose of updating teacher's knowledge the school hosted series of teacher's work shop. Teachers also attended the capacity building program conducted by CBSE CoE and other stakeholders.

Excellent CBSE class 10th result, as always, filled us with pride and I feel honoured to mention that, we had 100% result for the academic 2019-20. One of our students secured full A1 in positional grading by CBSE. Our 3 students scored above 80%, 6 students scored above 70% and 2 students scored 60% above. General Secretary Janab Abdul Rahman Musliyar, Perode congratulated the outstanding winners and mementoes were awarded to them.

I thank the supportive management whose continuous support and encouragement enabled the school to come this so far. Teachers and entire staff also deserve applause for their tireless efforts in implementing the route map of imparting quality education here.

We hope to move forward with our priorities, innovation in our educational programmes, intellectual ambitions and globalization in education. I extend my hearty thanks to all students and parents for their wholehearted support.

Thank you...

Mohamed Jabir Pulikkathumbayil
